Recommendation letter for Mr. Kees Hendrickx

It is my pleasure to recommend Kees Hendrickx, his performance working as an assistant audio engineer for Galaxy Studios Music proved that he will be a valuable addition to any company.

I have known Kees Hendrickx for three months in my capacity as Commercial Manager Music at Galaxy Studios. Kees worked for me and different sound engineers on various projects as an assistant, and based on his work and personality, I would rank him as one of the best assistants we have ever had.

Kees distinguished himself by consistently keeping all sessions well organized and proved himself to be very trustworthy towards all of our clients. Kees is highly intelligent, well educated, well trained and has good analytical and communication skills.

If his performance in our company is a good indication of how he would perform in others, he would be an extremely positive asset to any company.

If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me directly by sending a mail to tom@galaxy.be.

Yours Sincerely,

Mr. Tom Van Achte
